JULY HIGHLIGHTS NEWSLETTER

THE LOVE FESTIVAL

On Sunday 8th July we held the Love Festival at Sefton Park Palm House to kick off their health and well-being week. It was a day filled with creativity and love, full of activities and workshops for both children and adults to be involved in. We had guest workshops from Unique Wellness Centre, Rob McPartland, Swish Salon, Yoga Bears, The Mindful West and Love Art Global. We would like to say the biggest thank you for all our workshop leaders and everyone who attended the event; we hope you all enjoyed a fun-filled day in the sunshine and beautiful surroundings.

EMANCIPATION

We held our end of year summer show at the Epstein Theatre on Sunday 22nd July. Emancipation was all about the growth of MD Productions after opening its doors 18 years ago and what is next to come. Students from our MD CIC Blank Canvas project, MD Training Academy programmes and MD Commercial artists were all included in the performances and blew the roof off the theatre with the amount of talent and passion shared throughout the night. We would like to say a big thank you for all involved and the continuous hard work, as well as our audience for coming to watch and support the night.

SHARKS CREATIVE ACADEMY

Students from our traineeship with Sale Sharks did a fantastic end of year performance show which they helped to create and devise with the MD team.

RUN THE WORLD

We kick started our traineeship with Alder Training all about learning how to set up and run successful business. It's been a fantastic first few weeks.
