MD Training Academy partnered with St Helens Council Ways to Work, running a 6 week programme called "Creative Kick Starts". Working with a group of inspirational young people, the programme helped to enhance their skills and enable them to go from 'Dreamers to Achievers' – Finalising in a brilliant performance at St Helens town Hall.

Our student Jess Smith did a stunning performance at Mencap Idol which raised a great amount of money towards their charity - helping to promote equality for people with disabilities.

We held the official launch of our **MD Commercial** girl band - Girl Talk, at the Epstein Theatre on Wednesday 21st March, hosted by Radio City 2 presenter Claire Simmo. It was a spectacular night which included four sets and costumes changes, phenomenal vocals to match high energy dance routines, astounding lighting and visuals by UK Events, flawless make-up by Carla Lawson and fabulous hair by Swish Hair Salon.
